

STATEMENT OF SUBSTANCE OF INTERVIEW

Applicants' representative wishes to thank the Examiner for the courtesies extended during the interview held between Examiner Hieu Hoang, from the USPTO, and Michael Bentley, representative of the Applicants.

During the Examiner-initiated interview, Examiner Hoang proposed amendments to the claims in order to place the case in condition for allowance. Michael Bentley agreed to the proposed amendments, reflected in the Notice of Allowability, with additional minor changes. Applicants submit herewith, under 37 C.F.R. §1.312, claim amendments reflecting the additional minor changes agreed to by Examiner Hoang and Michael Bentley during the interview. Prior art was not discussed during the Interview.

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Applicants believe that the record of the prosecution as a whole, including Applicants' specification and claims, provides additional reasons for allowance. The Examiner's Reasons for Allowance do not necessarily state all the reasons for allowance or all the details why the claims are allowed and, therefore, should not be used to interpret the scope of the claims in place of the record of the prosecution as a whole.
